“ Dear Susie,

I didn't know your mother, but I'm so sorry for your loss. I've lost many close, precious family members, within a short period of time. It was a very difficult time for me, so I really know how hard it is, to lose our loved ones. I couldn't bear to, say goodbye to them, so I always said, I'll see you later. That's still a comfort to me, cause heaven awaits! As the song goes, I will see you again, this is not where it ends, I will carry you with me, til I see you again! You're in my thoughts and prayers.

With Love,

Krisanne Seidel

“ We have such fond memories of Alice and her time worshiping with us at Quilcene Bible Church. We remember the day she specifically wanted to make sure she truly was trusting in Christ alone as her Savior. How sweet to think she is now face to face with Him! Sandi Drake
