“ Clella was such a sweet & kind person. As a child, I have many warm memories of her & Carl...swimming in their pool, enjoying barbeques at their home. Even though she had no children of her own, she had a heart for kids...we all loved her! Rest in peace, Clella...Love Always, Lori

“ To the family, Carl and Clella were the epitomy of living the fulfilled life here on earth. They were always gracious hosts to us when we came down to fish and treated us as if we were family. Clella's gentle nature will always be something that I remember. We rejoice, knowing of her eternal home. Jim

“ To the family of Clella, I was saddened to learn of Clella's passing. I grew up in Syracuse and used to see her and Carl when they lived nearby in Johnson. In later years, Clella and Carl helped me greatly with some Levens family history. She was a special lady. Our thought are with all of you at this time.

“ Edna Bell, Anna, Jan, Mark & Families... I was suprised and saddened to hear of Clella's passing. She was a very wonderful lady and I have many fond memories of summer days spent at her house with her and Carl. I was also blessed to be able care for her again during her stay at Parkwood Village. She was very special and she will be missed. Hoping happy memories help you in this difficult time.
