“ Oh dear Helen! How my children and myself will miss your sweet voice and kind words of encouragement. Your laughter on a bad day or your silly jokes that always made us laugh! You always made sure my babies had Birthday, Easter, and Halloween cakes! You spoiled them as much as you could for them not really being your own grandchildren. You took us all to your family reunion in Arkansas were I never felt more at home in my life. You made Saturday's enjoyable with fried tacos and love from all your family whom was able to come and cherish a meal with you! I sat with you as you lost a son and husband. A women so strong in her faith I could never even be half as strong as you were in your final days. I let things get in the way of our beloved friendship and lost contact with you! Now I have no words to say as I can't say them to you! I love you Momma Helen! You sing your heart out and enjoy your heavenly peace as we morn your presence no longer her on earth. I hope to see you in my dreams!
