“ Dennis & Family,

I am so sorry to hear of the passing of you Mom. I knew when I was in Pratt over the Memorial Day Weekend, she had become ill. I will tell you you are very luck to have had your Mother in your life for these many years. I am sure she enjoyed all of the family and they all enjoyed her.

Just know I am thinking about you in your time of loss.

“ You had a long and wonderful life grandma. You are loved and you will be missed!

“ This beautiful woman was a delight and a joy to me. Being separated by time and distance, I did not come to an appreciation of who she really was until I was an older adult. She was intelligent, warm and loved to laugh. I cherish our talks about the “good old days!” We had many great phone conversations that left me light hearted and wishing we lived closer that we might be the beneficiaries of her gracious and loving spirit. I know she is gloriously happy in Heaven with our Lord now, and those who preceded her. I am happy for her, but she will be greatly missed. I love you Aunt Marie!
