“ I am sorry to hear of Pat's passing. She was one of my favorite teachers to work with. I could bounce suggestions off her for the students and sometimes we worked those ideas into class. When she retired, the school lost a very lovely lady. She will be missed. Maggie Pennel

“ I was saddened to learn of Pat's death. I will always remember her as a wonderful mother. When she brought Stephanie to the office, she always had the most detailed records about Stephanie's progress - the most of any parent I ever had. Cynthia Battiste, MD

“ Jenn, you know... She really enjoyed that class we all had with her. Between you, me, Laura and Kelly, half of us called her "Mom" in class and she loved It!
