“ Cheri~
I tried to find you at the Peace Treaty last week when I was told you were there. I am sorry that we did not connect. I send my sympathy to you, as I know, it's tough to lose a Mom. May happy times shared give you joy. Your Mom was a special lady, such a dear friend to my Mother. How I loved to receive mail from her years ago - such gorgeous handwriting. Know I'll be thinking of you.
